To Whom It May Concern:

Please allow for the continued safe passage of this individual or team, who are engaged in the COVID-19 response efforts of A.C.E. Compressor Services.

A.C.E. Compressor Services, home based in Mayfield, Kentucky, has been identified by Federal, State and local governments, as an "ESSENTIAL", Critical business to the nation's infrastructure.

A.C.E. Compressor Services is requesting that all state and federal emergency management agencies recognize the safe passage of this individual, or team, who are engaged in activity that is essential to public safety and the continuation of essential goods and services to consumers nationwide.

This continuation of critical infrastructure services is recognized under the U.S. Department of Homeland Security, Cybersecurity and Infrastructure Security Agency (CISA) Homeland Security Act of 2002 as vital to protecting communities while ensuring public health and safety, as well as economic and national security.

To support the continued safe delivery of power generation, air separation plants, medical oxygen facilities, and essential consumer goods and services, it is critical that we have certain staff resources available to provide and maintain critical business functions.

For further information please see [CISA.gov](https://www.cisa.gov)

Thank you for your understanding and support.

Best regards,

Jody Howell
